

Feb 26, 2024

Dear Journeys Aviation,

Hi, my name is Andrew Snyder. I am from Fort Collins Colorado. I have wanted to be a pilot since I can even remember! When I graduated high school I started flight training at the University of North Dakota. Upon graduation in May of 2018 I was hired at Journeys Aviation as a CFI. I loved my time at Journeys! I learned so much as a flight instructor! I became a safer and a better pilot because of the Boulder Airport! I enjoyed teaching new students how to fly! Watching a student fly solo for the first time or seeing her or him become a private pilot, brought so much joy to my heart!

In November of 2019 I left Journeys Aviation to pursue my dream of becoming an airline pilot. I was hired as a First Officer at SkyWest Airlines to fly the CRJ. Last year in February 2023 I upgraded to become a captain for SkyWest at 27 years old. My dream of being an airline pilot would not have been possible without the help of the people at Journeys Aviation and the Boulder municipal airport, and for that I am forever grateful.

Andrew Snyder
